Close to 500 people attended the charity party at Tulip Restaurant for the culmination of The 5<sup>th</sup> Annual YSG / Cape Discovery Bali Superyacht Charity RDV. The RDV is a 10 day maritime festival with various activities for attending Superyachts: Crew challenge dinghy race; round table Captain's forum; and Owners dinner. However, the RDV has its main emphasis on raising awareness and helping needy kids in remote areas of Indonesia.

The charity party night was open to the public and yacht Owners & crews from 5 Superyachts mixed unnoticed amongst the large crowd of revelers. For security reasons the details about the yachts in attendance are unavailable, as many are still cruising within Indonesian waters. Officially kicked-off by I Mangku Made Ariawan on behalf of the Bali Provincial Government, a special thank you was made to contributors and those in attendance for supporting Bali kids in need. Technical Advisor of Cape Discovery Wines Richard Irvine stated, "This was undoubtedly the best sponsorship money we have ever spent, the party was an enjoyable way to showcase our wines plus help give back to the community".

Entertainers included: Ika's Bali Belly Dancers ; Brazilian Capoeira Escola cultural Zunggu; Acoustic band (Guy & doll) Guy Joseph & Rita Risnawati on vocals with base player Mike Peck.

Guests danced until late to the sounds of DJs Rob Soundz and Patrick from Double Dutch.
