

Changing the World Without Changing Course

About YachtAid Global

YachtAid Global (YAG), a registered 501(c)(3) founded in 2006, operates at the highest levels of international non-profit work, providing humanitarian aid, disaster relief, and conservation programs across coastal communities worldwide.

As the recognized leader in facilitating yachting industry altruistic collaboration, YachtAid Global engages the yachting community's generosity and unique assets already in place, to save lives, alleviate suffering, and improve the planet.

These collaborative worldwide initiatives are implemented through a vetted network of NGOs and agencies coupled with YachtAid Global's consultation, leadership, and logistics management. The organization's proven processes maximize the impact and sustainability of the programs and operations by delivering the right aid to the right people at the right time.

Since 2006, YachtAid Global has engaged 250+ yachts across 175+ projects over 25+ countries in timely, agenda-free projects that enabled YachtAid Global's partners, donors, and yachts to build stronger coastal communities and contribute to the world around them.
